Esperanza EGK201B Wired gaming keyboard (blue)

Wired gaming keyboard Esperanza EGK201B (blue)

With the Esperanza EGK201B keyboard, you'll be ready for any game! The USB2.0 connection ensures that no communication delays will affect your gaming performance. Its ergonomic design guarantees the desired comfort during use, while the subtle blue backlighting gives it a gaming character. It is compatible with many operating systems, including Windows XP/VISTA/Windows 7/Windows 8/Windows 10.

Meticulously crafted design

If you value comfort during gameplay, the EGK201B keyboard is exactly what you need. Its comfortable key layout and ergonomic construction allow for a natural positioning of hands and wrists, eliminating the feeling of fatigue during long gaming sessions. Moreover, its attractive and modern design makes it not only a gaming tool but also a stylish addition to your gaming setup.
