Earphones QCY AilyBuds Lite (white)

Ref: 6957141408728

### QCY AilyBuds Lite Earphones (White)

Enhance your every day with the sound of your favorite songs. The wireless QCY AilyBuds Lite earphones feature 13-millimeter drivers with a titanium coating and offer up to 9 EQ settings, ensuring the highest sound quality tailored to your preferences. With a low latency of just 68 ms, these headphones are perfect for gamers. Bluetooth 5.3 ensures a reliable connection, and the ENC noise reduction technology makes phone calls easier. One charge provides up to 28 hours of playback, and the ergonomic design, with an IPX4 water resistance rating, guarantees comfort and durability. Additionally, the dedicated app allows access to practical functions.

### Experience Music Anew

QCY AilyBuds Lite earphones bring out the best in every song. The 13-millimeter drivers with a titanium coating deliver powerful bass and enchanting high tones, allowing you to enjoy the highest sound quality. You can customize the sound to your individual preferences by choosing from 9 Equalizer settings created by audio experts, including modes like Pop, Heavy bass, Rock, Soft, and Classic.

### Lag-Free Gaming

Claim victory in the virtual arena with QCY AilyBuds Lite earphones, offering an exceptionally low latency of just 68 ms. What does that mean for you? Perfect audiovisual synchronization - allowing you to react quickly to every opponent's move and shake up the world of gaming!

#### Reliable Bluetooth 5.3 Connection

No transmission problems when using QCY earphones. The AilyBuds Lite model supports Bluetooth in the latest version 5.3, ensuring fast and stable connections up to 10 meters away. You can easily connect the device to both iOS and Android systems. Enjoy freedom, listen to music, and play games without any hassles!

#### Conversations Anywhere

Don't let anything disrupt your communication with loved ones. Thanks to ENC noise reduction technology, QCY AilyBuds Lite earphones effectively block out surrounding sounds, ensuring that your caller hears every word you say, even when you're on a busy street or in a crowded store.

#### 28 Hours of Musical Rhythms

Prepare for up to 28 hours of uninterrupted entertainment - enough time to listen to 420 songs, watch 6720 videos, or enjoy 14 full-length movies. How to achieve such an impressive playback time? Simply use the included charging case. Say goodbye to limitations!

#### More with the App

The dedicated QCY APP allows you to customize the management of your earphones, including pausing, answering calls, muting, switching to low-latency mode, activating voice assistants, and adjusting the volume. You can also customize the animations displayed on the screen and choose Equalizer settings. From there, you can check the battery status of your earphones. Gain the convenience you deserve!

#### Ergonomic, Durable Design

QCY AilyBuds Lite earphones stand out with their ergonomic design, allowing you to use them comfortably for hours without discomfort. The weight of one earphone does not exceed 3.9 grams, further increasing wearing comfort. With an IPX4 water resistance rating, you can enjoy your favorite songs without any obstacles during intense workouts or rainy days.
