

## Sonic toothbrush FairyWill FW-551 (Black)

Sonic toothbrush FairyWill FW-551 (Black)

Ref: 6973734202696

### FairyWill FW-551 sonic toothbrush

Care for proper oral hygiene with the FairyWill sonic toothbrush. The device works at 38,000 strokes per minute, effectively cleaning your teeth and gums. It has 4 modes, so you can customize its action to your needs. It will also remind you to change the brushing area after 30 seconds. Equipped with a high capacity battery, it can work up to 30 days on a single charge. After about 4 hours of charging, the brush is ready to use again.

### 4 modes of operation

With various user requires in mind, the FairyWill toothbrush is equipped with 4 modes. The Polish mode is perfect for everyday use, and for users with sensitive gums, the Sensitive mode is recommended. For gentle and effective gum cleaning, choose Massage mode. While White mode will remove stains and whiten teeth.

### Convenience of use

The FairyWill FW-551 toothbrush is equipped with a special feature that will remind you to change the area you are cleaning. The device will stop every 30 seconds and then resume when you change the brushed area.

### Long working time, convenient charging

Don't worry about charging your device frequently. The FW-551 has a long-lasting battery that allows the toothbrush to run for up to 30 days on a single charge. Thanks to the fast charging feature, the FW-551 is ready to use again in about 4 hours. You can charge the brush with the powerbank or any other device with USB interface.
