Polarpro Case for iPhone 15 Pro (Green)

The PolarPro case for iPhone 15 Pro is a high-quality case made from non-slip material. It supports wireless charging, so users don't have to remove it during charging.

Advanced Camera and Privacy Protection

The case features a cover that protects the lenses from scratches and marks during daily use or travel, ensuring excellent photo and video quality. Additionally, the cover also provides user privacy.

Support for Magnetic Charging

PolarPro cares about user convenience. The case is designed for easy and quick charging, with support for magnetic charging, allowing you to enjoy wireless charging without removing the case.

Sure Grip Material

The material used for the case has a special texture to prevent slipping from your hand. Moreover, the raised edges on the case provide a secure grip, enhancing the comfort of using the iPhone 15 Pro, especially when operating it with one hand.

Elegant Design

The green PolarPro case for iPhone 15 Pro offers excellent compatibility and an elegant design. Its minimalist style will seamlessly complement any outfit.
