ENCHEN Z3 shaving razor

The Enchen Z3 shaving razor will work well both at home and on the go. It stands out for its lightweight and compact design, so you can easily take it with you on vacation or on a business trip. It provides a close, irritation-free shave both wet and dry, and runs for up to 60 minutes on a single charge. You'll also find a USB-C cable to charge the device, and the waterproof design makes it easy to clean the product.

Self-sharpening blades

The razor is equipped with high-quality stainless steel blades, so it trims your beard quickly and precisely. What's more, they sharpen automatically during use, so you can always enjoy the best results. In addition, a special guard ensures comfort and safety of use.

Reliable performance

The Enchen Z3 is equipped with a highly efficient motor, running at 36,000 rpm, which translates into reliable performance. What's more, the durable lithium-ion battery allows up to 60 minutes of operation on a single charge. In turn, you will renew the product's energy with the included USB-A to USB-C cable in an hour.
