

Catlink Mars 2.0. Bentonite Cat Litter

Catlink Mars 2.0. Bentonite Cat Litter

Ref: 6972884750477

Catlink Mars 2.0 Bentonite Cat Litter

Catlink Mars 2.0 bentonite litter picks up waste in as little as 2 seconds. It is safe for your pet's health and hypoallergenic. Moreover, it effectively eliminates odor, is suitable for Catlink litter boxes and easily passes through the filter mesh without blocking the device. In addition, it is characterized by high water absorption, and refilling it will not cause you any problems. To dispose of used litter, use the dedicated app or the button on the litter box.
