Esperanza TM116B VULTURE Wireless mouse

Esperanza TM116B VULTURE wireless mouse

Raise your working comfort to a higher level! The Esperanza TM116B VULTURE wireless mouse was designed for notebook and desktop users. With a DPI of 1000, each of your clicks becomes accurate and smooth, giving you precise control over every movement. Thoughtful design and ergonomic construction ensure that even long hours of work won't be tiring for you.

Wireless freedom

Forget about annoying cables! The mouse uses a 2.4GHz link, which provides a stable, fast and reliable connection with the selected device at a distance of up to 10 meters. On the underside of the mouse you will find a special NANO receiver, which you just need to plug into the USB port to enjoy instant readiness for work.

Designed for your comfort

The ergonomic design of the mouse was designed with your comfort in mind, providing a natural hand position during use. As a result, you don't have to worry about fatigue or discomfort! The mouse also features a silent scroll wheel, which allows you to scroll through pages or documents smoothly and silently, without disturbing your surroundings.
