Esperanza ET103 CLASSIC+ Notebook Bag (17")

Esperanza ET103 CLASSIC+ 17" laptop case

Esperanza ET103 CLASSIC+ bag is an ideal solution for owners of laptops up to 17", who value organization and convenience in travel or everyday use. Made of high-quality materials, it features an adjustable laptop compartment, metal-reinforced side walls and a soft foam layer inside for effective protection against damage. A functional front pocket makes it easy to store accessories, and a laptop-holding strap further secures the device.

Comprehensive protection

You no longer have to worry about the safety of your device while traveling! With reinforced side walls and a soft foam layer inside, your laptop is effectively protected from accidental bumps and shocks. Whether you're traveling for work, college or vacation, you can rest assured that your equipment is safe and protected all the way.

Designed for your convenience

The bag is equipped with an adjustable shoulder strap for unparalleled carrying comfort. Thanks to the ability to adjust the length of the strap to your preference, you can move freely with your laptop without worrying about discomfort, and the rubber pad placed on the middle part of the strap prevents the bag from moving and reduces pressure on your shoulder.

Thoughtful design

Now you can have all the necessary accessories with you! On the front and inside the bag you will find practical pockets that provide excellent organization - the perfect place for documents, cables, chargers or other small accessories. What's more, inside you'll find a strap to hold your notebook, further securing your equipment as you move around.
