

DJI Action 2 Remote Control Extension Rod

DJI Action 2 Remote Control Extension Rod

Ref: 6941565919854

DJI Action 2 Remote Control Extension Rod

Get even more recording options. This multi-functional accessory combines an extension rod, tripod, and removable remote control. This makes it perfect for many applications. Take a fantastic group selfie or capture a stunning, steady shot - the possibilities are endless. It's lightweight and portable enough to go anywhere, so you can take it with you on your next adventure. What's more, its quick-release handle fits comfortably in your hand.

Notes

Do not allow the product to come into contact with any liquid and do not leave it in the rain or near a source of moisture.

Use the product only in temperatures from -10°C to 45°C.

Do not leave the product near a heat source such as a furnace or heater. Also do not leave it inside vehicles on hot days. Do not store above 45°C - the ideal storage temperature is between 22°C and 28°C.

Do not store the battery pack for a long time after it has been fully discharged. Otherwise, the battery pack may over-discharge, causing irreversible damage.

To ensure the performance of your battery, fully charge and discharge it at least once every 3 months.

Specification

Brand
DJI
Name
DJI Action 2 Remote Control Extension Rod
Remote control model
BTC01
