Mental Blox Critical Thinking Game Learning Resources LER 9280

Learning Resources LER 9280 3D building block set.

Mental Blox Critical Thinking Game is an educational game that helps develop logical, critical thinking and exercise memory. It's the perfect combination of learning and fun! The set includes 20 pieces in different shapes and activity cards depicting structures to be built. The toy is designed for children aged 5 and older.

Learning through play

The task of the children participating in the game is to reproduce the structures depicted on the cards - from memory or based on the instructions of another player. In this way, the youngest can develop strategic, logical thinking while having a great time! What's more, there are additional questions on the cards for players to answer.
