Math board game Sum Swamp Learning Resources LER 5052

Select Sum Swamp by Learning Resources and make math learning fun and engaging for kids. The game focuses on practicing addition and subtraction, concentrating on numbers 0-6. It is suitable for children aged 5 and up. The package includes a game board, 2 number dice, one operation (+/-) die, and 4 game pieces.

Combines fun with learning

The game is designed for 2-4 players. The first person rolls all the dice and creates an equation, e.g., $3 + 2$, then moves forward 5 spaces. The board also features special squares marked with even or odd numbers, Short Cut squares, and Endless Loop squares, making the game more exciting. The winner of Sum Swamp is the first person to reach the finish line.
