Wall Charger with Lightning Cable XO L99+ NB103 2.4A (white)

XO L99 network charger + Lightning cable NB103 2.4A (white)

The XO L99 mains charger offers 2.4A, which guarantees fast charging of your devices, minimizing the time you have to wait for a full charge. Made of high-quality ABS material, it is durable and resistant to damage. Its compact dimensions (75 x 37 x 22.5 mm) and light weight (30 g) make it convenient to take on any trip without taking up much space. A 1-meter Lightning cable is also included.

Safety first

You no longer have to worry about the safety of your devices! The charger features an advanced PWM chip that precisely monitors and regulates the flow of current, ensuring optimal charging conditions and minimizing the risk of overheating, overvoltage or overload. As a result, you can enjoy peace of mind while charging your devices, knowing that they are fully protected from possible damage.
