Rockbros 810PCS-HP mini bike pump

The Rockbros 810PCS-HP mini bike pump will come in handy during bike tours. It uses a pressure of 100 PSI, and thanks to its lightweight and compact design, it won't take up much space - the size resembles an iPhone 8. You'll also find a bike frame mounting bracket and a ball pump needle. It fits F/V and A/V valves, and being made of aluminum alloy ensures durability. In addition, special protection prevents dust from getting inside.
