High-quality sound

The versatile R1700BT Bluetooth speakers will make you want to connect any device to them. Connect your gaming console, computer or TV for exceptional sound quality. The multi-functional excellence coming from these Bluetooth speakers provides such clear entertainment value. The R1700BT has built-in digital signal processing (DSP) and dynamic range control (DRC) to prevent distortion; Speaker-making technology truly matches your musical expectations. The R1700BT Bluetooth speakers allow you to maintain a clean sound aesthetic without sacrificing quality or performance. Plus, they face you at a 10-degree angle, so the music you play from them will come right to you.

Eagle Eye tweeter

Using newly developed 19mm "Eagle Eye" dome tweeters, the R1700BT makes even the smallest sounds clear. With desirable dimensions and improved specifications, "Eagle Eye" lives up to its reputation and requirements. Its satisfying sound makes your tunes rich and full, providing a thoroughly professional listening experience.

Sophisticated style

The R1700BTs are encased in a handcrafted walnut vinyl cabinet for an elegant look. The high quality classic wood finish is a great addition to any home decor.

Solid speaker

The 4-inch bass drivers in each speaker provide rich lows and clear highs. With a front-facing bass reflex port, low frequencies are emphasized, giving the bass more power. Pair your smartphone with the sleek bookshelf speaker via Bluetooth. With just the touch of a button, you can listen to music endlessly with the R1700BT.

Manage your music

Conveniently located knobs on the side of the speaker give you full control over the sound, bass and treble. You can also change the music from the comfort of your couch with the wireless remote. The R1700BT remote is a compact remote that helps you manage the volume and select the input source from across the room. Pair your smartphone with the sleek bookshelf speaker via Bluetooth. With just a press of a button, you can listen to music endlessly from these Bluetooth speakers. The R1700BT comes with all the cables you'll potentially need to enjoy your music right out of the box.
