

Speakers 2.1 Edifier S360DB (brown)

Speakers 2.1 Edifier S360DB (brown)

Ref: 6923520266180

Classic wood finish

High-quality wooden vinyl applied to a dense partial board generates great sound performance and appearance. Meanwhile, the MDF cabinet prevents cabinet resonances from affecting sound clarity.

All-titanium dome tweeter

The planar tweeter developed in collaboration with Fostex, known as an industry leader in driver design, has enhanced the speaker system, this powered bookshelf speaker will take your home theater experience to a new level.

4-inch aluminum midrange drivers

The transducers of the Edifier S360DB Bluetooth stereo speaker are sourced from advanced German engineers KLIPPEL. This unique speaker system features clear, full-range sound. The 4-inch aluminum midrange drivers in the Edifier S360DB come from the high-tech German engineers at KLIPPEL. After several months of research and design, this unique speaker system debuts with clear, full-range sound.

Exceptional bass depth

The S360DB uses a wireless subwoofer with an 8-inch professional speaker. There is a bass reflex port on the right side of the subwoofer,

which makes the emitted lows vibration-free. The S360DB uses the latest electro-acoustic technology. It makes excellent use of the capabilities of the Texas Instruments processor in combination with its own DSP processor, so that the speaker system emits very clear and low bass.

A wide range of inputs

In addition to aptX supporting Bluetooth, the S360DB 2.1 speaker also allows you to connect a wide range of devices thanks to other available inputs such as PC, AUX, optical and coaxial.

Total power

150 watts

Output Power

Satellites: 2x15W + 2x25W Subwoofer: 70W

Signal to noise ratio (SNR)

Sat: ≥ 80 dBA Sw: ≥ 85 dBA

Frequency response

R/L: 160Hz -20KHz ; SW: 40Hz -160Hz

Input levels

Satellite speakers: 600 mV \pm 50 mV (Line-in), 750 mV \pm 50 mV (AUX input), Subwoofer: 300 mV \pm 50 mV (Line-in), 350 mV \pm 50 mV (AUX input), Satellite speakers: 400 \pm 50 mFFS (Optical), 400 \pm 50 mFFS (Bluetooth), Subwoofer: 200 \pm 20 mFFS (Optical), 200 mV \pm 20 mFFS (Bluetooth)

Audio Input

RCA stereo, optical, coaxial input , Bluetooth

Controls

Volume control and change audio source /input

Bass speaker

8 inch, magnetically shielded, 4 Ω

Midrange speaker

3.5 inches, magnetically shielded, 8 Ω

Treble speaker

\varnothing 25mm, magnetically shielded, 6 Ω

Weight

approx. 19.00 kg

Dimensions

Subwoofer: 312 x 265 x 289 mm, Satellite speakers: 156 x 127 x 217 mm (W x H x D)

Resistance

L/R Tweeter 4 Ω ;

Woofer 4 Ω

Subwoofer: 2 Ω

Price:

€ 499.00

Audio, Bluetooth speakers
