Wireless headphones Edifier W800BT Plus, aptX (white)

### Edifier W800BT Plus Headphones

The W800BT Plus wireless Bluetooth headphones let you enjoy great sound quality anywhere you want. The durable battery provides up to 55 hours of playback. You can also connect the device wired with a 3.5mm audio cable. The 40mm speakers deliver crystal clear, stunning audio and the Bluetooth 5.1 connectivity ensures a stable, fast, interference-free signal transmission. It's also possible to wirelessly connect the headphones to 2 devices simultaneously.

### Provide you with sound at the highest level

The 40mm neodymium magnetic drivers are responsible for delivering you excellent sound quality. Thanks to them, the headphones impress with crystal clear, natural sound and enhanced bass. With Edifier, you'll rediscover and love your favorite tracks. You can also talk freely on the phone with CVC noise cancellation.

### Incredibly long runtime

The headphones feature a long-lasting battery that provides up to about 55 hours of runtime on a single charge. In standby mode, they last up to 800 hours. So you can easily use them in almost any situation. Movie night at home? Or a long journey? A discharged battery will never interfere with your plans again!

### You can connect them in 2 ways

There are 2 ways to connect the headphones to your chosen devices - wired and Bluetooth. This gives the W800BT Plus a wide compatibility range. For example, you can use the 3.5mm audio cable to connect to your laptop or MP3 player. You can also use it when your headphones' battery is low and you don't have time to recharge it. Bluetooth allows you to conveniently connect the W800BT Plus wirelessly to your smartphone or tablet, for example. It also supports aptX.

### Convenience and elegant design

The headphones are not only functional, but also incredibly comfortable. The large, soft earcups fit snugly around your ears without pressing on them - so you don't have to worry about discomfort. The W800BT Plus are also lightweight, so you can wear them comfortably for hours on end. The headphones also feature a modern, minimalist, stylish design.
