Edifier MF200 Speaker

Looking for a versatile speaker that will give you great sound quality while not taking up too much space? Edifier MF200 will be an ideal choice! Despite its compact size, it guarantees clear, natural sound and an output power of 4W + 4W. You can connect to it in 3 ways - via AUX or USB-C cable, as well as via Bluetooth. The speaker is also incredibly user-friendly, with up to 10 hours of runtime on a single charge.

Fantastic sound

What makes the MF200 speaker play so well? The device is equipped with 2 36mm drivers and supports digital signal processing (DSP). It also has a class-D amplifier, which is responsible for low distortion, among other things. All this adds up to an unforgettable musical experience. Clear sound, rich details and perfect harmony - so you will discover your favorite songs in a new and better quality.

3 connection possibilities

Connect to the speaker the way you want. The MF200 supports Bluetooth 5.0, which ensures fast and stable wireless transmission. It also guarantees lower power consumption. The speaker also has a built-in sound card, so you can connect it to your computer with the included USB-C cable. This way you can play music and charge the device at the same time. It is also possible to connect the MF200 using an AUX cable (not included).

Stunning design

The MF200 is relatively small - its dimensions are 293x42x52mm. This makes it ideal even for a small desk - it will not take up too much space. You can easily take it with you on vacation - its comfortable and safe transportation is possible thanks to the included carrying case. The device also looks very stylish. It has been equipped with aluminum alloy casing which gives it an elegant, minimalist character.

Easy to use

The MF200 is extremely easy to operate. The device is exceptionally user-friendly. It has been equipped with several easy-to-use buttons, with which you can, among other things, turn it on or off, adjust the volume, pause and resume playback, terminate the Bluetooth connection, select the audio source and switch the song. With Edifier, everything you need is right at your fingertips!

Up to 10 hours of battery life

Now your favorite tunes can stay with you all day long, whether you're working or relaxing. The MF200 has been equipped with a durable 2200mAh battery. This allows it to play music for up to 10 hours on a full charge. Do not be afraid that it will refuse to serve you in the least opportune moment!
