Edifier W600BT Wireless Stereo Headphones

The Edifier W600BT Bluetooth 5.1 Wireless Stereo Headphones not only deliver great sound quality thanks to their 40mm drivers, but they are also extremely comfortable to use. You can easily pair them with up to 2 devices at the same time. The long-lasting battery guarantees a runtime of up to 30 hours. If necessary, you can also connect the headphones via cable.

Take your musical experience to a new level

The premium 40mm NdFeB driver is responsible for delivering you the highest quality sound. The W600BT headphones deliver crystal clear, detail-rich, natural sound. The accentuated bass provides you with even more unforgettable musical experiences.

Listen to music for hours

Now you can listen to music uninterrupted even during a long road trip, a home movie night or a TV series marathon. The W600BT are equipped with a long-lasting battery that provides up to 30 hours of battery life. You can also connect the headphones with a 3.5mm audio cable. Even if you forget to charge them, you don't have to part with your favorite music!

Goodbye connection problems

Enjoy a stable transmission. The headphones support Bluetooth 5.1 and the SBC codec to provide a reliable, interference-free,

high-speed connection with a long range. If you want, you can pair 2 devices with them simultaneously and conveniently switch between them as needed. Laptop for work and smartphone for play? The Edifier W600BT headphones are perfect for any situation!

All useful features are at your fingertips

Buttons located in easily accessible places allow you to operate the headphones simply and conveniently. You can turn them on or off, pause or resume playback, answer, reject or end a phone call, change the song, adjust the volume and even activate your voice assistant. No more reaching for your phone to turn down the music or switch tracks!

Designed for your convenience

Use the headphones for as long as you want without fear of fatigue. The W600BT are extremely lightweight and comfortable. The ergonomic design provides unparalleled comfort. The soft ear cups are lined with breathable, skin-friendly material. Headphones also impress with their elegant, minimalist design, which is sure to appeal to many users.
