Edifier HECATE G4 S (black) gaming headphones

Move into the virtual world of gaming and enjoy even more immersion. Edifier gaming headphones are distinguished by ultra-low latency (15 ms) and connect to your compatible device in 2 ways. What's more, they offer a stable connection without interference. They provide excellent sound quality and long operating time. In addition, they guarantee unparalleled comfort thanks to their ergonomic design, and the omnidirectional microphone is responsible for high call quality.

2 ways to connect

The headphones work wirelessly, providing convenience of use. You will connect them to a compatible device in 2 ways. Bluetooth version 5.2 provides stable signal transmission up to 10 meters. On the other hand, for 2.4G you need to connect a mini USB/USB-C receiver to the device.

Greater immersion

Immerse yourself even more in the world of gaming! The Edifier G4 S headphones offer a low latency of 45 ms (Bluetooth) or 15 ms (2.4G). So you can enjoy perfect synchronization of video and audio both when playing games and watching movies.

Richly detailed sound

The G4 S are equipped with 40mm magnetic drivers that deliver deep bass and crystal clear, ear-pleasing treble and midrange. What's more, the H+ effect will allow you to hear the footsteps of an approaching enemy or shots in the distance - now you can defeat your opponents with ease.

Omni-directional microphone

Enjoy high quality conversations with other gamers! Edifier G4 S gaming headphones are equipped with an omni-directional microphone that accurately records your voice, and you can be sure that your interlocutors can hear you perfectly. What's more, you can detach the microphone at any time if you are not using it.

Lightweight and ergonomic design

Edifier headphones are lightweight - they weigh 270 g and feature an ergonomic design, so you don't have to worry about feeling tired or uncomfortable. In addition, the earcups fit perfectly on the ears. They are also finished with soft and skin-friendly material.

Durable battery

The Edifier G4 S are equipped with a 750 mAh battery, which translates into up to 48 hours of use. What's more, the 2.4G connection uses less power. A USB to USB-C cable is also included for easy charging. After about 2 h they will be ready to work again.

Wide compatibility

Don't be afraid of compatibility issues! Edifier G4 S gaming headphones work with devices that support Bluetooth 5.2 or have USB/USB-C ports. So you can successfully connect them to your smartphone, tablet, PS4/5, Nintendo Switch or computer.

Thoughtful design

Operating the headphones will not cause you any problems. There are buttons on one of them, with which you can customize the operation of the G4 S. Conveniently answer/reject calls, stop/resume playback, select modes, etc. What's more, the headphones are equipped with red backlighting, which gives them a gaming touch. You can turn them off at any time by pressing the corresponding button twice.
