Edifier HECATE G1500 MAX Speakers (black)

Ensure excellent sound quality while playing your favorite games or listening to music. The Edifier HECATE G1500 Max speakers will be the perfect choice for gamers and beyond. The full-range 2.5" drivers and 4" subwoofer guarantee clear, richly detailed sound, and special technology will provide you with an unforgettable gaming experience. You can also choose from 3 playback modes and 10 types of RGB backlighting. The speakers also stand out for their wide compatibility and support 3 ways of connection - via Bluetooth 5.3, as well as via USB or AUX 3.5mm cable. Also noteworthy is the modern gaming design.

Ref: 6923520269839

### Delight in excellent sound quality

Full-range 2.5" drivers combined with a 4" subwoofer provide an incredible 60W peak power. This allows you to enjoy high-quality and richly detailed sound with ear-pleasing treble and powerful, deep bass. Now you can easily hear the footsteps of approaching opponents, anticipate their movements and achieve another victory!

### Complete your gaming zone

Are you looking for speakers that will emphasize the character of your gaming zone and complement it perfectly? The HECATE G1500 Max will certainly meet your expectations! They are equipped with colorful RGB backlighting, the style of which you can customize to your preferences by choosing from 10 available effects. Now you can create a unique atmosphere with just one click! The speakers are also distinguished by their original hexagonal shape. They also have built-in small buttons for convenient operation.

Choose from available playback modes

The 1500 Max speakers are designed for different usage scenarios. They offer 3 playback modes, so you can easily adjust their actions to your preferences. Music mode will make you feel like you're at a real concert - it will perfectly highlight all that is most beautiful in your favorite songs. Movie mode will be a great choice when watching movies or TV series. Want to increase your level of immersion while playing? Choose Game mode and get even more pleasure from playing!

Multiple connectivity options

No matter what devices you use - HECATE 1500 Max will guarantee spectacular sound quality in any situation. You can connect them in up to 3 different ways, which affects their wide compatibility. With a 3.5mm AUX cable you can easily connect them to your smartphone, iPad computer or even Nintendo Switch console. A USB cable will allow you to connect them to your Playstation 5 or laptop. Are you betting on wireless solutions? Use Bluetooth 5.3, which provides a fast, stable and reliable connection.
