Earphones Edifier TWS6 (black)

Ref: 6923520240708

### Edifier TWS6 headphones (black)

Now you can move to the concert of your favorite artist every time you feel like it! Edifier wireless headphones will surprise you with exceptional sound in Hi-res quality! Thanks to Bluetooth 5.0, they guarantee a stable connection and full freedom of use. The touch panel is responsible for ease of use, and the powerful battery will provide you with many hours of musical experience. The protection rating of the device is IPX5, so you can take them with you anywhere - even for a walk in the rain or an intense workout!

### Wireless playback

The headphones support Bluetooth version 5.0, providing a fast, stable and energy-efficient connection to your devices. The AptX codec is responsible for the high sound quality, which guarantees a wide range of sound details and transmission speeds of 352 Kbps. Forget about interference!

### Full protection

It has not been known for a long time that music can set the mood like little else! Now you can energize yourself with rhythmic tracks during your workout, or listen to minimalist sounds while walking in the rain. The IPX5 rating provides full protection against drops of sweat or water, so you don't have to worry about damaging it during your activities.

#### Designed with the user in mind

Thanks to the ergonomic design of the headphones, you will enjoy complete comfort. The headphones were created with skin-friendly materials. To ensure your complete comfort, we have included a set of interchangeable tips, with which you can best adjust the size and shape of the headphones to your preferences!

#### Long working time

Worried that the headphones will discharge at the least opportune moment? Not likely! The powerful battery guarantees up to 8 hours of continuous operation! With the charging case you gain an additional 24 hours of listening! Take TWS6 with you on the go and let your favorite music accompany you everywhere!

#### Easy charging

A special charging case will allow you to quickly replenish the energy of your headphones whenever they need it. Once the case is discharged, you can easily recharge them using the cable included in the package.

#### Hassle-free touch operation

You don't have to pull your phone out of your pocket every time you want to change a song or make a phone call. The Edifier TWS6 headphones feature a touch panel, with the help of which you can quickly and intuitively operate some of your smartphone's functions. With just a few clicks, you can launch the voice assistant, manage music or answer a voice call. Check out how convenient it is!
