With Edifier X3 Lite you will fall in love with your favorite songs all over again! Equipped with 6-millimeter drivers, the earphones deliver amazing sound quality, reproducing every detail with incredible clarity. Their work with the case reaches 24 hours on a single charge, and low latency will allow you to fully immerse yourself in the game. Operation of the earphones will be facilitated by intuitive touch panels. Built-in microphones combined with a noise cancellation system allow you to talk freely, no matter where you are. The waterproof design (IP55) will allow you to enjoy your favorite music even during intense workouts at the gym or running on rainy days.

Made for talking

Now you can talk on the phone wherever you are! Thanks to smart noise cancellation technology and a built-in microphone in each earphones, you can talk freely even in noisy environments, knowing that your voice will be perfectly audible to your caller. Whether you're in a coffee shop, train station or crowded subway, now you can be sure that nothing will get in the way of your conversation!

Fall in love with music

Discover a new dimension of music! The earphones equipped with 6 mm dynamic drivers will deliver sound of amazing quality. They offer rich sound, full of detail and depth, which will allow you to discover new nuances of your favorite songs. However, it doesn't stop there! The dedicated Edifier Connect app will allow you to adjust the Equalizer settings according to the genre of music you are listening

to. Classic, Pop, Classical or Rock is at your disposal!

Up to 24 hours of music

Listen to music for as long as you want. Edifier X3 Lite can play music for up to 6 hours on a single charge. That's enough time to make phone calls, listen to audiobooks or your favorite songs while traveling or working out. A charging case is also included, with which you can extend the earphones' runtime by up to 18 hours. Charging them to full will take you about 1.5 hours.

Bluetooth 5.3

Connection problems are a thing of the past! Bluetooth 5.3 is responsible for a stable and fast connection to the selected device, so you can freely listen to your favorite songs without worrying about interference and delays. Edifier X3 Lite also offer a special gaming mode, which provides an extremely low latency of 60 ms, allowing you to enjoy perfect synchronization of sound and video.

Waterproof design

Let your music accompany you even in extreme conditions! With an IP55-level waterproof design, the X3 Lite earphones are ready for any challenge. They are not intimidated by raindrops, sweat or accidental splashes! Now you can listen to your music even during an intense workout at the gym or a bike trip on a rainy day.
