Edifier X2 TWS Wireless Headphones

Listen to your favorite songs in the highest quality wherever you are. The Edifier X2 headphones feature 13mm drivers and support modern Bluetooth 5.1 connectivity, with up to 7 hours of runtime on a single charge. A special gaming mode provides ultra-low latency, and noise cancellation lets you talk freely on the phone. The X2 are also extremely comfortable and IP54 waterproof.

Hear every detail

Despite its compact size, the headphones deliver fantastic sound quality. The large drivers offer perfect harmony, excellent bass and crisp treble. They also allow you to enjoy the incredible richness of details. Now you can rediscover the magic of music and hear previously unknown details of your favorite songs.

Indispensable when talking on the phone

Now you can talk on the phone with ease even in extremely noisy environments. The headphones offer optimized noise cancellation, which filters out unnecessary background noise in real time while enhancing the sound of your voice. This gives you the confidence that your caller will almost always hear you perfectly!

Fast and stable wireless connection

Any connection problems are a thing of the past. The advanced Bluetooth 5.1 chip ensures fast and stable transmission in almost any situation. Plus, each handset connects to the device of your choice independently, so you're free to use them in different configurations. Use both at the same time or just one!

Something for gamers

Like to play games? The manufacturer has prepared something special for you! Headphones X2 support a special gaming mode, which guarantees ultra-low latency. Perfect synchronization of video and audio will make it easy to hear and locate your opponents, you will not be surprised and achieve another victory!

Many hours of playback

Listen to music for as long as you want without worrying about battery life. Fully charged, the Edifier X2 headphones can run for up to 7 hours. What's more, you can extend that time to about 28 hours with the included charging case. So you can listen to music all day long.

Touch operation

Say goodbye to having to reach for your smartphone whenever you want to use select headphone features. The X2 have built-in touchpads that let you quickly and conveniently control playback, answer the phone, hang up and switch songs. You can also use them to activate the voice assistant!

Tailored to your needs

The headphones are incredibly lightweight. Each of them weighs only about 3.4g. Thanks to their ergonomic design they are extremely comfortable. They fit perfectly in your ears and do not fall out. You can also use them during workout or in the rain without worry. X2 are IP54 rated, which means they are waterproof and dustproof.
