Sonic toothbrush with head set FairyWill FW-E6 (Black)

FairyWill sonic toothbrush with head set FW-E6

With FairyWill, you can take even better care of your oral hygiene. The E6 sonic toothbrush uses vibrations at up to 40,000 per minute to give you an effective cleaning. It offers 3 modes to choose from and comes with a smart timer to make sure you brush your teeth for as long as you need to. It also features a durable rechargeable battery and IPX7 water resistance. The kit also includes 6 interchangeable toothbrush heads.

Fine tooth brushing in as little as 2 minutes

Thanks to the use of high-frequency vibration, the device perfectly deals with dirt - it removes up to 100% more stains than a regular toothbrush. It only takes 2 minutes to thoroughly clean your teeth! You don't even have to keep track of the cleaning time. E6 has a smart timer that will remind you every 30 seconds with a short pause in the vibration to change the area you're brushing. After 2 minutes, the toothbrush will automatically turn off.

3 cleaning modes

The FairyWill E6 toothbrush can meet the needs of most users. The device allows you to choose from 3 modes. Clean mode provides a thorough cleaning, and can eliminate even the most stubborn dental plaque and stains. Massage mode provides a gentle gum massage and helps prevent tooth decay. Soft mode is ideal for beginners and people who have sensitive teeth.

Interchangeable tips included

In the set you will find 6 replaceable toothbrush tips. You can keep them for yourself as a spare or share them with other family members. The tips are equipped with high-quality DuPont bristles and are designed to clean even hard-to-reach areas as thoroughly as possible. Note: to ensure that your toothbrush works effectively and reduces the risk of bacteria growth, be sure to change the tips regularly.

Long runtime

Free yourself from wires and enjoy freedom. The E6 cordless toothbrush is equipped with a long-lasting battery that provides a long battery life. This means you can use the device for up to 30 days on a single charge. It only takes about 4 hours to recharge it. It is possible to charge your toothbrush not only with a regular mains charger, but also with a powerbank or even a laptop. This gives you a lot more options - you don't have to limit yourself to available outlets!

Waterproof

You are used to brushing your teeth in the bath or shower? You don't have to change that! The FairyWill E6 sonic toothbrush features a smart, leak-proof design and is IPX7 waterproof. It's splash-proof. You can also rinse it under water and clean it without any worries - this way you will prolong its life and avoid the multiplication of bacteria.

Take it on vacation

Going on vacation or on a business trip? You don't have to sacrifice the ability to brush your teeth thoroughly, effectively. The E6 toothbrush is lightweight and compact enough to easily fit in your suitcase, bag or backpack - it won't take up too much space. The device is also compatible with global voltage 110-240V, which means you can easily charge it overseas.
