

Wire Stripper Deli Tools EDL2003, 165mm

Wire Stripper Deli Tools EDL2003, 165mm

Ref: 6974173017834

Deli Tools EDL2003 insulation stripper

This practical insulation stripper will come in handy during electrical repairs and DIY. The ergonomic handle makes it comfortable to use, and the built-in spring allows you to save energy while working. The product not only allows you to remove insulation from electrical wires with a cross-section of 0.5 to 6 mm, but also allows you to cut wire.
