Foldable Multi-Angle Phone Stand Orico (Black)

Orico PH2-BK-BP Foldable Phone Stand

Free your hands and comfortably watch your favorite movies and series. The Orico stand allows you to place your smartphone or tablet in a stable position, and thanks to the 360° adjustment you can easily adjust it to your needs. Lightweight and portable, it can accompany you almost anywhere. It is also distinguished by high durability and resistance to damage.

Comfortably watch your favorite movies

No longer do you have to hold your phone in your hands the whole time or bend over when you're watching a movie. Just place your device on the Orico stand! You can adjust the cradle up to 360° - so you can easily adapt it to your needs. Watch movies at the optimal angle and forget about neck pain!

You can always have it with you

This practical stand can accompany you almost anywhere. Lightweight and compact - you can easily fit it in your backpack or handbag. Its improved, foldable design makes it easy to store and transport. When folded, the stand becomes almost completely flat, so it takes up even less space.
