

## Duracell USB-C cable for Lightning 1m (Black)

Ref: 5056304399963

Duracell USB-C cable for Lightning 1m (Black)

Duracell USB-C to Lightning cable 1m (black)

The USB-C to Lightning cable is compatible with most Apple devices - you can easily charge your iPhone or iPad with it. It was made of high-quality materials, which are characterized by durability. The length of the cable is 1m, which will give you even more freedom during use.

Charge and transfer files in the blink of an eye

The cable supports 3A/21.5A (60W) fast charging. This will renew the energy in your smartphone or tablet in no time. Moreover, with its help you will transfer files such as songs, photos or documents in no time. It allows you to transmit data at speeds of up to 480 Mbps.

Durable design

Duracell cable is distinguished by its durable construction, so you can be sure that it will serve you for a long time. The nylon braid provides protection from damage, and the connectors are resistant to wear and tear.

Compatible

Are you worried that the cable will not work with your equipment? Don't be! The product provides USB-C to Lightning ports, so you can successfully connect it to smartphones, tablets or wireless headphones of different brands.
