

Powerbank Duracell Charge 10, PD 18W, 10000mAh (black)

Ref: 5056304398560

Powerbank Duracell Charge 10, PD 18W, 10000mAh (black)

Powerbank Duracell Charge 10, PD 18W, 10000mAh (black)

Bet on trustworthy power with the Duracell Charge 10. The powerbank supports PD3.0 protocols, and its large capacity will allow you to charge your devices quickly and repeatedly. What's more, thanks to Dual Charge technology, it allows you to renew the energy in two devices at the same time. Its output power is 18 watts, and its capacity is 10000 mAh. The Duracell Charge 10 has built-in USB-C and USB-A ports, making it stand out for its wide compatibility. It is equipped with LED indicators to indicate the energy level. In addition, it is lightweight and handy, and complies with aviation standards, so there's nothing stopping you from taking it even on the farthest trip.

Don't waste time waiting

The powerbank supports fast-charging protocols, so with 18 watts of power you'll be restarting your phone's energy reserves in no time. Tests have shown that it only takes 30 minutes to charge an iPhone 13 to 50%, and it only takes 1.5 hours to fully replenish the battery.

Reliable capacity

The powerbank will surprise you with its large capacity (10000 mAh), which allows you to charge selected devices several times. It features wide compatibility, and the use of Dual Charge technology allows you to charge, for example, your phone and headphones simultaneously. It will take you only 3 hours to replenish the energy of your device, and thanks to the LED indicator you are constantly informed about the level of charge.
