

Headlight Superfire HL55, 150lm, USB-C

Headlight Superfire HL55, 150lm, USB-C

Ref: 6956362995239

Superfire HL55 flashlight

Practical headlamp by Superfire will be useful in many different situations. Ideal during mountain hiking, camping or evening walks with your dog. It has four modes of operation and a long range of light. It is also water resistant so you can use it in difficult weather conditions. Equipped with an adjustment function that allows you to adjust the angle of light to your own needs.

Customize it to your needs

The flashlight has four modes: high brightness, low brightness, strobe and SOS, so you can select them according to your needs. In addition, the handle of the flashlight has a practical adjustment from 0° to 90° so that you can decide at which angle the light should fall. The strap of the HL55 is also adjustable, so you can adjust it to fit you perfectly for maximum comfort.

Water-resistant

The headlamp has IP43 water protection, so you can use it in the rain without fear of damage. The materials from which it is made are durable and resistant to various weather conditions.

Long lighting distance

Range of the flashlight is up to 270 meters, so it can be your reliable assistant during various types of night expeditions. You can also use it during cycling, camping or car repair.
