

### Memory card Samsung microSDXC PRO Plus 128GB (MB-MD128KA)

Ref: 8806092411180

Memory card Samsung microSDXC PRO Plus 128GB (MB-MD128KA)

Samsung microSDXC PRO Plus 128GB memory card (MB-MD128KA)

The Samsung microSDXC PRO Plus UHS-I memory card delivers impressive read speeds of up to 160MB/s and write speeds of up to 120MB/s. As a result, it will satisfy the needs of even the most demanding users. With a capacity of 128GB, you will never run out of space for your files. With the card you will successfully increase the memory of your smartphone, tablet, game console or camera. The set also includes an SD adapter, which will make your work even easier.

Speed, fluidity, reliability

Expand the memory of your device and get more capabilities. With the Samsung PRO Plus card you can smoothly record 4K videos, play demanding console games and take continuous photos. U3, A2 and V30 class speeds allow you to save and transfer data seamlessly. Enjoy write speeds of up to 120MB/s and read speeds of up to 160MB/s - see how much difference it can make!

Tailored to you

Record long videos and take thousands of photos - with Samsung PRO Plus you won't run out of storage space. The capacity of the card is up to 128GB - enough to store about 7.5 hours of 4K videos, about 20 hours of FHD videos, about 51,783 4K photos or about 67,518 FHD photos. Almost nothing limits you! You don't have to worry about security either. The card is equipped with protection against water, high temperature, x-rays, magnetic fields, drops and wear and tear.
