

### Magnetic folding car holder Acefast D20 (silver)

Magnetic folding car holder Acefast D20 (silver)

Ref: 6974316282839

Acefast D20 magnetic car mount (silver)

Use your navigation while traveling safely and comfortably. The Acefast D20 holder is distinguished by its magnetic design, which ensures stability. You also don't have to worry about compatibility problems - the holder can be used with any smartphone that has a magnetic ring. The use of zinc alloy guarantees the durability of the product. In addition, it will not block visibility and you can easily attach it to the dashboard.
