Wall charger McDodo GAN 3xUSB-C + USB, 100W (black)

Ref: 6921002651400

Wall charger McDodo GAN 3xUSB-C + USB, 100W (black)

Gain the ability to charge your devices even faster and more conveniently. The McDodo CH-5140 GAN wall charger provides a power output of up to 100W, allowing you to charge even 2 laptops simultaneously. Furthermore, it comes equipped with 4 ports (3x USB-C, 1x USB-A), so you can connect up to 4 devices simultaneously. The product stands out with its wide compatibility and utilizes advanced GaN technology.

Impressive Power

This charger offers impressive power of up to 100W, allowing you to charge your devices in the blink of an eye. With its help, you can easily charge even 2 laptops simultaneously - you don't have to wait for one to be ready for work before connecting the next one.

Charge 4 Devices Simultaneously

Need to charge a greater number of devices? No problem! This charger offers up to 4 ports - 3x USB-C and 1x USB-A. This means you can quickly and conveniently charge up to 4 devices at the same time! The CH-5140 model also features wide compatibility, enabling seamless charging of devices such as smartphones, laptops, portable gaming consoles, or wireless headphones.
