TWS ONIKUMA T1 Headphones Black

Give yourself even better sound quality when you listen to music, watch movies or play games. The TWS ONIKUMA T1 headphones guarantee stunning spatial audio, and with Bluetooth 5.3 connectivity, you can enjoy reliable transmission and low latency. They are also distinguished by a long operating time and a specially designed charging case with 4 original lighting effects. It's the perfect combination of functionality and style!

Sound at the highest level

Now you can become even more immersed in the gameplay or feel like you're at a concert by your favorite artist anywhere. The ONIKUMA T1 headphones deliver fantastic quality surround sound, allowing you to achieve the level of immersion you've been dreaming of. They are also distinguished by polymer composite diaphragms that guarantee crisp, detail-saturated sound, ear-pleasing highs, clear mids and deep, powerful bass.

Low latency

Don't be afraid of connection problems. The T1 headphones support reliable Bluetooth 5.3 technology for even better sound quality, lower power consumption and stable, fast transmission. There's also a special low-latency mode, which is perfect for gaming, for example. Thanks to the perfect synchronization of video and sound, you will easily find yourself in the world of your favorite game,

instantly locate your opponents and achieve a great victory!

Long working time

Listen to music or play your favorite titles for as long as you want - you don't have to worry about the headphones draining too quickly. The ONIKUMA T1 can run for up to 6 hours on a single charge, and the included case lets you extend that time to about 18 hours. Say goodbye to limitations!

Hassle-free communication with others

Need to answer your phone in a crowded supermarket or bus? Or do you often play online games and need to communicate with other players? No problem - the T1 headphones are equipped with high-quality noise-canceling microphones, so you don't have to worry about communication problems. Now your interlocutors will hear you perfectly!

Original design

If you appreciate successful combinations of functionality and aesthetics, ONIKUMA headphones are sure to appeal to you. They are characterized by an original, modern design, thanks to which they attract the eye and are likely to appeal to many users. What's more, the charging case designed for them is equipped with a striking backlight with 4 modes to choose from - Flying Star, Star Fall, Horse Race and Circullar Flash. With ONIKUMA you will easily stand out from the crowd and feel special!

Convenient access to the most important functions

No longer do you have to reach for your smartphone every time to switch a song or answer a call. The T1 headphones have built-in touch panels that are convenient to use, with which you can, for example, skip a song, pause playback, reject an incoming call or activate the selected mode. Now you always have all the most important functions at your fingertips!
