Powerbank Baseus Star-Lord 20000mAh, 2xUSB, USB-C, 22.5W (black)

Powerbank Baseus Star-Lord 20000 mAh, 2xUSB, USB-C, 22.5 W (black)

Charge up to 3 devices at the same time with a powerbank from Baseus! Star-Lord features a high power of 22.5 watts and extraordinary speed. The battery capacity is 20000 mAh. You can take the device with you anywhere - even on a plane! Star-Lord supports fast charging technology and its use is fully safe thanks to multi-level protection.

Surprisingly fast

Star-Lord is 3x faster than the average powerbank and can charge 3 devices simultaneously! For reference: the PD 20W fast charging for Apple 12 and 13 makes the device's battery level reach as much as 50% in 30 min! The powerbank can charge the Apple 13 4x, so it can last up to 4 days without charging! The time it takes to fully charge the powerbank alone is 6 to 7 hours.

Smart charging

Star-Lord supports smart charging technology (BPSII), so it dynamically distributes power among the devices being charged and automatically adjusts the power output and voltage. All your devices will be charged quickly and safely with the Baseus powerbank!

Wide compatibility

The device is compatible with Huawei SCP/FCP, Apple PD, Xiaomi QC and Samsung AFC, among others. The Baseus product will charge

your phone or tablet in no time! The powerbank is equipped with the following ports: Micro input, Type-C input, Type-C output, USB1/USB2 outputs. As you can see - the possibilities are endless!

Safety of use

An NTC temperature sensor is built into the device, which, together with a smart chip, ensures safe charging and protects against overheating. The powerbank guarantees multi-level protection against overcharging, overvoltage, overcurrent, short circuit and electromagnetic field. You can charge your devices of choice without worry!

Thoughtful design

Star-Lord is equipped with a digital LED display that shows the remaining battery level of the device, so you can easily check when to charge the powerbank. The product also meets international air transport standards, so it can accompany you anywhere - even on a plane!

Included:

Powerbank

USB cable

Manufacturer

Baseus

Model

PPXJ060001

Dimensions

154.8 x 69.4 x 29.5mm

Weight

450g

Capacity

20000mAh/74Wh

Energy conversion rate

≥75%

Micro input

5V/2A; 9V/2A

Type-C input

5V/3A; 9V/2A

Type-C output

5V/3A; 9V/2.22A; 12V/1.5A

USB1/USB2 output

5V/3A; 9V/2A; 10V/2.25A (SCP); 12V/1.5A

Total output power

5V/3A

Color

Black
