## Wall charger GaN Rocoren 3x USB-C, 1x USB, 67W (black)

Ref: 6975266730944

Wall charger GaN Rocoren 3x USB-C, 1x USB, 67W (black)

Wall charger GaN Rocoren 3x USB-C, 1x USB, 67W (black)
Charge your devices even faster. The Rocoren network charger offers a power of up to 67W and supports fast charging, and it is equipped with 4 ports (3x USB-C, 1x USB-A). You can connect up to 4 devices at the same time! Moreover, the product uses advanced GaN 5 Pro technology, which combines high efficiency, compact size, and user safety.

Charging 4 Devices Simultaneously
With 4 available ports, the charger allows you to connect up to 4 devices at the same time. So you don't have to wait for one device to be charged before connecting another! The product is compatible with most popular models of laptops, smartphones, tablets, and more.

Impressive Performance
The charger stands out with a power of up to 67W, allowing you to charge selected devices in a very short time. It also supports popular fast charging standards such as PD and PPS. Forget about long waits for essential devices to be ready for use again!

Performance and Safety
The modern GaN 5 Pro technology used in the charger not only ensures faster charging but also allowed to reduce the size of the device and guarantee more stable temperature control. You don't have to worry about safety either - the product is effectively protected against

overvoltage, overcurrent, overcharging, short circuit, and overheating.

Perfect for Travel

The charger features a lightweight, compact design, allowing you to have it always at hand. You can easily fit it in your bag or backpack - take it on vacation or on a business trip to enjoy fast charging wherever you are. The product is also compatible with voltage 100-240V, which means you can use it abroad without any problems.
