

Fast Charger Rocoren PD 20W USB-C (white)

Ref: 6975266731286

Fast Charger Rocoren PD 20W USB-C (white)

Rocoren PD 20W USB-C power charger (white)

Charging your devices will now take even less time! The Rocoren power charger offers up to 20W charging and supports multiple fast charging standards. Its compact design means you can take it with you on any trip. It's compatible with a range of popular devices, and it also comes with a USB-C cable that's perfect for renewing the power of your iPhone 15 series.

3x faster charging

The Rocoren charger offers up to 3x faster charging compared to standard 5V/1A chargers. Its maximum power of 20W combined with support for numerous fast charging protocols, including PD, QC, AFC or FCP, will make renewing the energy of your selected devices take even less time!

No worries about security

The safety of your devices is our top priority, which is why the Rocoren charger is a guarantee of not only fast, but also safe charging. Equipped with advanced protections such as overload, overvoltage, overcharging and short circuit, it provides comprehensive protection during charging. It also has a built-in smart chip that guarantees stable charging while preventing overheating.
