

Wall Charger USB-C+USB-A 65W Essager GaN (black)

Ref: 6971958730278

Wall Charger USB-C+USB-A 65W Essager GaN (black)

Wall Charger USB-C+USB-A 65W Essager GaN (black)

With the Essager charger you can renew the power of 2 devices at the same time. The product offers a USB-C and USB-A port, and thanks to its 65W power it will quickly charge your equipment. What's more, the use of GaN technology and a number of safety features ensure safe use.

Fast, convenient charging

Now you can charge 2 devices simultaneously in a short time. The charger has a USB-C and USB-A port, so you can connect your smartphone and laptop to it at the same time. What's more, you can charge your iPhone 14 to 60% in 30 min, and the support of PD, PPS, QC, FCP, AFC, etc. protocols allows you to efficiently charge your Xiaomi laptop, MacBook, tablet, smartphone, powerbank, or Nintendo Switch.

Various protections - protecting your equipment

The charger offers protection against short circuit, short circuit, overcurrent, overcharging, etc. What's more, it uses gallium nitride (GaN), which provides good heat dissipation, thereby protecting the device from overheating.
