Wall Charger USB-C+USB-A 30W Essager PD+QC (black)

Wall Charger USB-C+USB-A 30W Essager PD+QC (black)

Don't wait for one device to charge to plug in another. The Essager charger is equipped with 2 ports: USB-C and USB-A and is compatible with various fast charging protocols. This will instantly renew your equipment's energy. What's more, it stands out for its wide compatibility and offers a number of safety features to protect your device from damage.

Fast charging of your equipment

The charger supports such fast charging protocols as PD, QC and PPS, so it will renew the energy of your iPhone 13 up to 60% in 30 minutes. In addition, thanks to the power of 30 watts, you will charge your iPad Pro 2021 in about 2 hours. The product is compatible with smartphones and tablets from brands such as Apple, Samsung, Huawei, Honor and Xiaomi.

For the safety of your equipment

Charge your equipment without worrying about damage. The Essager charger is equipped with a smart chip that adjusts the amperage to the connected device to protect it from damage. Moreover, it offers protection against short circuit, overheating, overcharging, etc.
