Car Charger USB-A+USB-C 30W Essager (black)

Ref: 6975253970599

Car Charger USB-A+USB-C 30W Essager (black)

Car Charger USB-A+USB-C 30W Essager (black)
Charge your devices conveniently on the go. The Essager car charger offers 2 ports: USB-A, USB-C and supports various fast charging protocols, so you'll renew your equipment's power in no time. In addition, a smart chip guarantees safe use.

2 ports - fast charging
The charger is equipped with USB-A and USB-C ports, so you can connect 2 devices to it simultaneously. In addition, it supports such fast charging protocols as PD3.0, QC3.0, FCP, SCP, AFC and PPS, so you don't have to wait too long for your equipment to be ready for further use. As a result, you'll be able to charge your iPhone 12 to 50% in about 30 minutes (you'll also need a cable that supports fast charging).

A range of safety features
Charge your device safely. The Essager charger has a built-in chip that protects your equipment from damage. Thus, it offers protection against overcharging, overloading, short circuit, overcurrent, etc. What's more, it is made of aluminum alloy and ABS, which allows for better heat dissipation and prevents the product from overheating.

Wide compatibility

The charger works with a voltage range of 12-24V, so it will fit vehicles such as SUVs and trucks. What's more, you will successfully connect it to smartphones, tablets from brands such as Apple, Huawei, Samsung, Google. The product is also compatible with AirPods and Nintendo Switch headphones.

Refined design
The charger is distinguished by its carefully considered design. It sits stably in the cigarette lighter socket, so it will stay in place even when driving on a bumpy road. In addition, it will not take up much space, and plug&play will allow you to get it ready in no time.
