

Adapter OTG USB 3.0 female to USB-C male Essager (black)

Ref: 6975253970131

Adapter OTG USB 3.0 female to USB-C male Essager (black)

Adapter OTG USB 3.0 female to USB-C male Essager (black)

The Essager USB 3.0 female to USB-C male OTG adapter allows you to expand the functionality of your devices, allowing you to connect various accessories and peripherals such as flash drives, mice or keyboards. With support for data transfer speeds of 5Gbps, you can enjoy fast file sharing and lag-free data access. It also supports 3A fast charging. A 10NF chip is responsible for the stability of operation. The product is made of durable materials, such as TPE and aluminum alloy, which ensures not only reliability, but also durability. In addition, its weight is only 6 g, so you can conveniently take it anywhere. Plug & Play makes it easy to use.
