

## Computer case Darkflash DF2100 + 4 ARGB fans (black)

Ref: 8809832890948

Computer case Darkflash DF2100 + 4 ARGB fans (black)

Darkflash DF2100 computer case + 4 ARGB fans (black)

Here is the DF2100 - a case that will revolutionize your desktop PC. Created from 0.6 mm thick SPCC material, it provides sturdiness and durability, and its dimensions of 450 x 210 x 482 mm are perfectly suited to the needs of modern computer systems. Compatibility with E-ATX, ATX, M-ATX and ITX motherboards gives users unlimited configuration options, while seven expansion slots and space for two HDDs and three SSDs guarantee incredible flexibility in building powerful machines.

Built-in USB ports

The DF2100 features USB 3.0 and USB 2.0 ports, located at the top of the chassis for easy accessibility. This makes quickly connecting peripherals even easier and more convenient.

Masterful cooling

The Supreme Cooling Layout supports up to 8 fans of up to 120mm in size, as well as heat sinks of up to 360mm in length, enabling efficient heat dissipation and maintaining optimal temperatures for even the most demanding components.

Horizontal graphics card mounting

The optional horizontal mounting of the VGA card not only protects it from bending, but also allows for a striking presentation of your

graphics card, while becoming a functional design element of your gaming setup.

#### Wide compatibility

Compatible with a wide range of motherboards, as well as a maximum graphics card length of up to 400 mm and a CPU cooler height of up to 165 mm, the DF2100 is ready to take on board both standard and advanced components. Expansion possibilities are almost limitless.

#### Front and side panels

The ABS front panel and tempered glass side panel finish not only add elegance, but also provide durability and resistance to damage. It's a combination that draws the eye and protects your computer.

#### The kit includes

Case

M/B / SSD screw x 21

VGA/PSU screw x 6

Copper spacer x 1

M/B hex bolt x 3 (6 pre-installed)

HDD screw x 8

Triticale x 5

HDD screw x 2 (different type)

ARGB fan x 4

Manufacturer:

Darkflash

Model:

DF2100

Side panel:

Tempered glass

Front panel:

ABS

Motherboard standard:

E-ATX/ATX/M-ATX/ITX

Power supply standard:

ATX]

Internal drive/drive slots:

HDD x 2 / SSD x 3

2.5" internal bays:

3

2.5/3.5" internal bays:

2

Expansion card slots:

7 Slots

Maximum graphics card length:

400mm

Maximum CPU cooler height [mm]:

165mm

Maximum number of fans [mm]:

8 x 120 mm

Fan mounting options:

Front: 120mm x 3 / 140mm x 3 ; Top: 120mm x 3 / 140mm x 2 ; Rear: 120mm x 1

PSU cover:

120mm x 2

Water Cooler Mounting Options:

Front: 360mm ; Top: 360mm ; Side: 240mm

Number of fans installed:

4

Fan model:

DM12F

Buttons and controls:

Power / Reset

Connectors:

USB3.0 x 1 / USB2.0 x 2 / HD AUDIO

Material:

0.6 SPCC

Color:

black
