Metal Cage with Cold Shoe PULUZ for DJI Osmo Action 4/3

Metal Cage with Cold Shoe PULUZ for DJI Osmo Action 4/3

Protect your DJI Osmo Action 4/3 camera while gaining more recording options. The PULUZ metal housing effectively safeguards the device from damage, and with the cold shoe mount and 1/4-inch hole, it allows for mounting additional accessories. The product is also very easy to install - it will only take a moment.

Reliable Protection

The housing is made of high-quality aluminum alloy, ensuring its durability and sturdiness. This accessory can provide reliable protection for your camera! Furthermore, the product fits perfectly with the shape of DJI Osmo Action 3 and DJI Osmo Action 4 models - it will not affect their operation in any way. The housing also guarantees excellent heat dissipation. So, you don't have to worry about your camera overheating!

Compatibility with Various Accessories

The housing is equipped with a 1/4-inch hole, allowing you to conveniently mount the camera on a tripod or selfie stick, for example. You also have a cold shoe mount available, enabling the attachment of accessories such as additional lighting or a microphone.
