

Darkflash DN 360 CPU liquid cooling (white)

Ref: 8809832892003

Darkflash DN 360 CPU liquid cooling (white)

Darkflash DN 360 computer water cooler (white)

Keep your computer's CPU at the right temperature with the Darkflash DN 360 water cooler. With 3 fans of 120 mm each and a copper base, it efficiently dissipates heat while operating extremely quietly. In addition, the colorful ARGB backlighting will add an original touch to your computer, creating stunning visual effects. The product is compatible with both Intel and AMD processors.

3 fans of 120 mm each

The 3 120mm fans and quality hydraulic bearing ensure efficient CPU cooling (up to 1.6 l/min). Thanks to special anti-vibration pads, the noise level is low, only about 30 dBA. In addition, the fans support PWM function, automatically adjusting their speed (800-1800 RPM) according to the CPU temperature.

Optimal cooling

Copper cooling base, hydraulic bearing, efficient pump and durable tubes ensure efficient heat dissipation and extended unit life of up to 40,000 h. The heatsink's heavy-duty aluminum design ensures optimal airflow and eliminates the risk of leaks.

Hassle-free installation

The cooling unit is compatible with various Intel and AMD processor models, and its installation is simple. Synchronization with the

motherboard via a 3 pin 5 V connector is possible. In addition, ARGB backlighting gives the computer a modern touch - up to 16.8 million colors are available.

Included

water cooling Intel and AMD mounting kitset of screws DP5 thermal conductive paste

Manufacturer Darkflash Model NEBULA DN360 Cooling type water Color white Number of fans 3 Fan dimensions 120 × 120 × 25 mm Bearing type hydraulic bearing Fan speed 800 ~ 1800 ± 10% rpm max. Air flow rate 61.7 CFM max. Fan noise level max. 30 dBA Air pressure 1.26 mm H2O max. Dimensions of the heat sink 397 × 120 × 27 mm Tube dimensions 12 × 450 mm Heat sink material aluminum Dimensions of water block 86 × 72 × 59 mm Pump speed 2400 ± 10% rpm Maximum noise level of the pump 30 dBA Supply voltage 12 V Service life 40 000 h Connector 3 pin Backlighting ARGB Compatibility Intel: 115X/1200/1700; AMD: AM5/AM4/AM3/AM3+/AM2/AM2+/FM2/FM1
