

## HP DHS-4200 Wireless soundbar speaker (black)

HP DHS-4200 Wireless soundbar speaker (black)

Ref: 6972431715317

### HP DHS-4200 Wireless Soundbar (Black)

The soundbar delivers detailed stereo sound so you can rediscover your favorite tunes. What's more, it lets you conveniently adjust the volume and connects to a compatible device via Bluetooth or wired. It works with a range of different devices and offers colorful LED backlighting.

### Bluetooth 5.2

The soundbar connects to a compatible device via Bluetooth 5.2. This makes the connection to your device even more stable and faster than ever before, ensuring smooth music streaming without interference.

### Impressive sound

With a rated power output of 2x 3W and a wide frequency response from 180 Hz to 20 kHz, this soundbar delivers deep bass and crystal clear highs so you can fully enjoy your favorite music, movies or games. In addition, it uses 52mm drivers for stereo sound.

### Wide compatibility, colorful backlighting

The HP DHS-4200 soundbar offers 3.5mm and USB connectors, allowing you to connect a variety of devices such as computers, laptops and more. In addition, the colorful LED backlighting in 7 different colors will add a unique ambience to any room, creating an atmosphere

perfect for relaxing or partying.
