Ref: 6972431711067

HP USB-C to USB-C cable, 1m (black)

The HP USB-C to USB-C cable is an excellent option for those who prioritize maximum efficiency and time-saving. It supports PD 60W fast charging and allows for file transfer speeds of up to 5 Gbps. It also stands out with a sturdy, durable construction and resistance to damage. The cable length is 1m.

Fast Charging

Now you can quickly charge your phone or wireless speaker in the blink of an eye. The cable supports currents up to 3A and enables PD fast charging with up to 60W power. This means you don't have to wait too long for your devices to be fully charged! Whether you're at home, in the office, or on the go, you can be sure your devices are always ready to use.

Rapid File Transfer

A data transmission speed of up to 5 Gbps allows for swift file transfers between devices. This means you don't have to waste time waiting for your photos, videos, or important documents to reach their destination!

Sturdy Construction

The cable is made of high-quality materials, such as PVC, ensuring durability and reliability for long-term use. Its robust construction

protects the product from mechanical damage and ensures safe usage in almost any conditions.

Wide Compatibility

With USB-C connectors, the cable is compatible with a wide range of devices, such as smartphones, tablets, laptops, power banks, and many more. It's a universal solution for all your charging and data transfer needs.
