HP USB-C to USB-C cable, 2m (black)

Ref: 6972431711081

HP USB-C to USB-C cable, 2m (black)

The HP USB-C to USB-C cable is an excellent option for those who prioritize maximum performance and time savings. It supports fast PD 60W charging and allows file transfer speeds of up to 5 Gbps. It also stands out with a sturdy, durable construction and resistance to damage. The cable length is 2m.

Fast Charging

Now you can quickly charge your phone or wireless speaker in the blink of an eye. The cable supports up to 3A current and enables fast PD charging with up to 60W power. This means you don't have to wait too long for your device to charge! Whether you're at home, in the office, or on the go, you can be sure your devices are always ready to go.

Rapid File Transfer

A data transmission speed of up to 5 Gbps allows for quick file transfer between devices. This means you don't have to waste time waiting for your photos, videos, or important documents to reach their destination!

Sturdy Construction

The cable is made of high-quality materials such as PVC, ensuring durability and reliability over a long period of use. Its solid construction

protects the product from mechanical damage and ensures safe use in almost any conditions.

Wide Compatibility

With USB-C connectors, the cable is compatible with a wide range of devices, such as smartphones, tablets, laptops, power banks, and many more. It's a universal solution for all your charging and data transfer needs.
