Ref: 6939119024338

Wireless Bluetooth speaker Havit SK838BT

Havit SK838BT wireless Bluetooth speaker

Enjoy great sound quality wherever you go. The Havit SK838BT portable wireless speaker offers reliable Bluetooth 5.0 connectivity and can play music for up to 8 hours on a single charge thanks to its long-lasting battery. It also supports TWS functionality and voice assistant. Lightweight, compact and waterproof, it can accompany you almost anywhere.

Fantastic sound quality

Despite its compact size, the SK838BT speaker delivers fantastic HD surround sound quality. So you can enjoy the crystal clear, natural sound of your songs wherever you go!

Carefully considered design

The speaker is so light and compact that you can always carry it with you - it won't take up much space in your backpack or handbag. The device is also equipped with a practical lanyard, which allows you, for example, to hang it on your wrist or attach it to your suitcase - this way you will avoid losing it!

Reliable connection

Connection problems are a thing of the past. The SK838BT uses the latest Bluetooth 5.0 technology to give you a fast, stable and reliable

connection. It also reduces power consumption, giving you up to 8 hours of battery life on a full charge. You can also connect the device of your choice via the AUX port. The speaker also supports flash drives and micro SD cards.

Water is not a threat to it

The Havit SK838BT speaker also features IPX5 water resistance. This means that accidental splashes or raindrops do not pose much of a threat to it. So you can safely listen to music in almost any conditions.
