

### Powerbank Baseus 20000mAh, PD, 2xUSB + USB-C, USB-C cable, 6

Ref: 6953156209022

Powerbank Baseus 20000mAh, PD, 2xUSB + USB-C, USB-C cable, 65W

#### Baseus 20000 mAh PowerBank, 2xUSB + USB-C

Do not be afraid of sudden battery discharge of your device! Powerbank Baseus you can always have with you if you need to renew energy of your device. This product allows you to charge not only your smartphone, but also your laptop, tablet or Nintendo Switch. It also supports Samsung devices with 45W fast charging protocol. A USB-C fast charging cable (65W) is included, and the digital display provides convenient access to key information.

#### Charging 3 devices simultaneously

Intelligent power distribution allows you to charge 3 devices simultaneously with 20W, 30W and 15W. With fast charging, you can charge your MacBook Pro 13" up to 40% in 30 minutes, and its working time is extended to 8 hours. The powerbank, on the other hand, takes about 90 minutes to charge.

#### Wide compatibility

The Baseus powerbank supports fast charging protocols such as PD, QC, SCP, FCP, AFC, and PE+. The device works with smartphones, laptops, consoles, and tablets of various brands, for example, Apple, Xiaomi, Lenovo, Samsung, and Nintendo Switch.

#### Series of safety features

The powerbank is equipped with a lithium-polymer battery that features good conductivity and stable voltage. The device has protection against overcharging, over voltage, overheating, short circuit, etc. The product also meets CE, FC and RoHS standards. So you can be sure that using the powerbank is completely safe. You can also take it on a plane trip.

#### Solid construction

The engraved finish provides a stylish look to the device and fits better in your hand. The power button located on the side makes it easy to operate, and the TPE material cable is durable and resistant to bending. The NTC temperature sensor continuously monitors the temperature to prevent the device from overheating.
