Wireless Bluetooth speaker Havit M69

Ref: 6939119032142

Havit M69 Bluetooth Wireless Speaker

Take your favorite songs with you wherever you go. The Havit M69 wireless speaker delivers crystal clear sound and offers fantastic surround sound quality. It supports 3 playback modes and has a runtime of up to 25 hours on a single charge. The device is also extremely durable and IPX7 waterproof.

High-quality surround sound

Discover your favorite tunes anew. The M69 speaker boasts a total rated power of 16W and delivers deep, amplified bass. It also supports TWS technology, which lets you use 2 channels - left and right - to deliver stunning surround sound quality.

Waterproof and durable

This unique portable speaker can provide you with an unforgettable musical experience in almost any conditions. The device is extremely durable and resistant to damage. It is also IPX7 waterproof. So you can safely use it in rainy weather or during a pool party.

Even 25 hours of music

Listen to music uninterrupted, even all day long. With a durable 3600mAh battery, the M69 speaker can play your favorite playlists for about 25 hours on a full charge. What's more, the built-in USB-C port allows you to conveniently charge the device.

User-friendly

The speaker features easy-to-access, tactile buttons that you can use to, for example, adjust the volume, change the playback mode or switch songs. The M69 is also compatible with the Siri voice assistant and allows for convenient phone calls.
