

Non-contact voltage tester Deli Tools EDL8011, 12/48-1000V A

Non-contact voltage tester Deli Tools EDL8011, 12/48-1000V AC (black)

Ref: 6974173011207

Deli Tools EDL8011 non-contact voltage tester

Deli brand voltage tester provides non-contact measurement with adjustable sensitivity. It quickly detects 12.48V-1000V AC. It is equipped with voltage strength indicators in 3 colors such as red (high), yellow (medium) and green (low). It also has a red LED display and buzzer alarm to indicate live condition. The unit also offers LED lighting to help you work in dark environments. Additionally, it will automatically turn off after a certain amount of time to save power. It also comes with 2 batteries that are required to power the tester.
